# NATIVE COCKTAILS

“Native” pulls together stories and experiences that shape how we portray New Zealand. Nature is executed with respect and thought towards how we can savour our Land to the best of our ability. Please enjoy our liquid portrayal of New Zealand.

## GARDEN PARTY

(Zesty, Fragrant, Fresh)

*Garden party derives from the vast variety of produce and herbs that grow in a typical New Zealand garden. From the moment you receive it, it will indulge your senses. Take a whiff! You'll be taken back by the aromatics. Have a sip! You'll be hit with the zesty flavours. So refreshing, you'll want to do it over and over again!*

Jose Cuervo Silver Tradicional tequila - grapefruit peel-thai basil cordial - grapefruit soda

22

## AORAKI

(Clean, Refined, Elegant)

CONTAINS DRY ICE! YOUR WAITER WILL ADVISE CORRECT PROCEDURE

*Based on the Arowhenua tribe story, Aoraki follows the conversion of man to mountain. We take botanicals from the local Tekapo basin, spirit from Central Otago and a chilling menthol to represent the cold blast of altitude, recognising the pure beauty of the region and the beliefs behind its creation.*

Sipsmith gin - Misha limelight riesling - honey passion fruit cordial - pink grapefruit - dry ice

22

## BANKS BAY

(Green, Lush, Refreshing)

*Banks bay pays tribute to the first sightings of New Zealand and its rich coastal flora. Joseph Banks was to be the first botanist to document our native plant life. Banks bay uses native flax as the heart to help us further understand why the harakeke is often known as the base of Māori cuisine and medicine.*

Tanqueray gin - harakeke cordial - lemon - apricot - mint - chickpea brine

22

## HĀNGĪ PIT

(Spicy, Full, Delicate)

*This cocktail captures the smoke, char and earthiness that is definitely Hāngī. We looked to recreate the traditional technique in liquid form using a balance of elements such as dry habanero, tequila and charred cob syrup.*

Habanero tequila - agave nectar - lime - saline - mezcal mist

22

## BLOOD OF THE GRAOULLY

(Chubby, Vibrant & Fiery)

*The Graouilly is the pagan mythical dragon of Metz. He was known for punishing naughty children and labelled as an all-round bad dragon. We wanted to paint him in a different light: the blood of the Graouilly mixes the idea of his fiery nature, with his slightly sweeter side. After much research we found out he was a sucker for anything to do with plums, we put this alongside some indigenous horopito for fire and shazam.  
Delicious Graouilly Blood!*

Wyborowa Rye vodka- dark plum puree - horopito - lemon - chickpea brine

22

## LOST RUBY

(Luxurious, Cold, Lustful)

CONTAINS DRY ICE! YOUR WAITER WILL ADVISE CORRECT PROCEDURE

*This cocktail is a play on one of the most popular cocktail during Prohibition era in the US, the John Collins. We revisited it our way by shifting the flavour profile towards a beautiful combination to pair the whisky with peach and pear.*

Johnnie Walker Black - pear cordial - peach tea - fresh lemon - edible rubies

22

## PACIFISTA

(Bountiful, Crunchy, Cheerful)

*The Pacifista is inspired by some of the main produce you can get in Vietnam. With the combination of coconut, mango and the warm kick of dark rum, this is the typical cocktail you would like to have laying on a beautiful white sandy beach.  
It incarnates the idea of a perfect holiday.*

Plantation Barbados 5 year dark rum - mango - coconut milk - caramel/chestnut coulis

22

## FAIRY TALE

(Bright, Silky, Pink)

*The idea comes from a little girl's childhood, when she used to pick blackberries with her grandma in her garden. Travelling she discovered how coconut can make amazing diverse flavours. Merging her origins with the experience around the world resulted in a magic potion that is Fairy Tale.*

Stolichnaya premium vodka - violette liqueur - coconut milk - blackberry

22

## KAMOTE

(Fresh, Tropical, Rich)

*The Kamote tells a tale of Maria's family and their tradition, we take on the idea of the childhood favourite "Halo-halo" from the Philippines and transform it into a unique pacific potion with championing flavours of humble kumara.*

Coconut rum - kumara coulis - Peychaud bitters - lemon - pineapple juice
